THE UN BACKED THE NEW WORLD MAP · 4 SEPTEMBER 2026

Greenland is not the size of Africa. You were shown a map that said it was.

the old map gave it **more** room than it deserves it gave it **less**

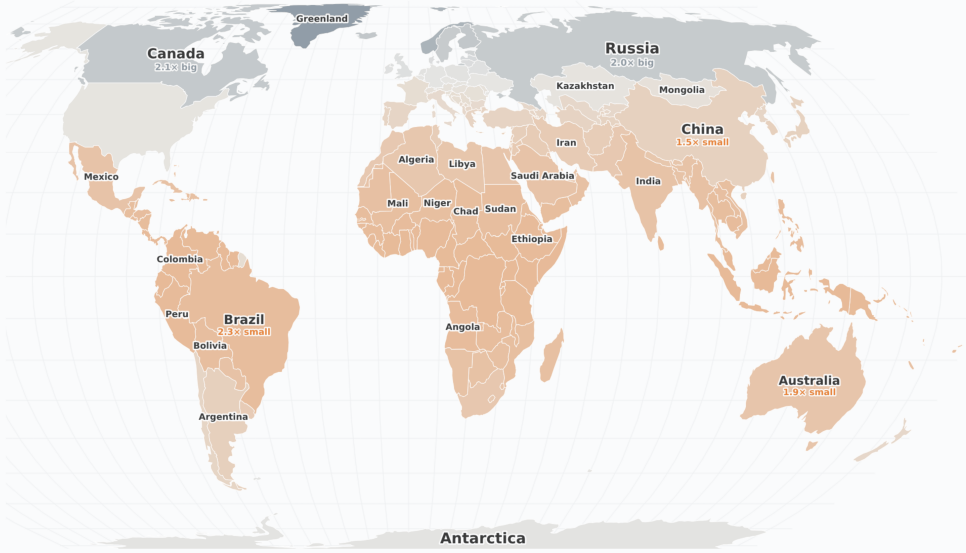

The old map, 1569

The map in your classroom, on your phone, in your head

The new map, 2026

Every country at its true share of the world's land
